

ALEC G. DREYER

CHIEF EXECUTIVE OFFICER

Alec G. Dreyer is Chief Executive Officer of the Port of Houston Authority, having been approved by the Port Commission on September 29, 2009.

Mr. Dreyer previously served as Chief Executive Officer and a Director of Horizon Wind Energy, LLC, a wind energy developer, from September 2005 to July 2007, when Horizon was sold to Energias de Portugal, S.A., a major Portuguese utility. From February 2000 to September 2005, Mr. Dreyer served as an Executive Vice President of publicly traded Dynegy, Inc., and President of Dynegy Generation, a division of Dynegy, Inc. Prior to February 2000, Mr. Dreyer was President of Illinova Generating Company and a Senior Vice President of Illinois Power Company. Before starting his career at Illinova, Mr. Dreyer was Senior Manager in the Accounting and Auditing Services Division of PriceWaterhouse in St. Louis.

Mr. Dreyer currently serves as non-executive Chairman of the Board of Comverge, Inc., a leading clean energy company, which provides demand response and advanced metering solutions to electric utilities and their customers. He previously served on the Board of Directors of publicly traded EcoSecurities Group PLC, which is in the business of sourcing, developing and trading carbon credits. He received a B.A. from the University of Illinois and an M.B.A. from Washington University in St. Louis.
