Re: University of Houston – Pearland Campus
Campus Data and Phone Cabling
Project 759-FMC-1010

Dear HUB Participant:

In reference to the above project, we are requesting that you join us as a HUB participant for subcontractor work for labor only @ University of Houston – Pearland Campus.

Plans and specs can be located @ the following locations:

Isqft – www.isqft.com

Associated General Contractors – Public website

National Association of Minority Contractors (NAMC) – 713-843-3791

Please provide your labor rates only for cabling pulling, jacking and terminations. With your reply prior to Friday, February 26, 2010, please provide pricing and a copy of your HUB certificate in reference to this RFP.

All information should be sent to: 713-683-6055 (fax) or you may email to:

jjacobs@ateccommunications.com

Thank you for your participation.
