

PORT HOUSTON™

## FACILITY INSPECTION AND CONDITION ASSESSMENT PROGRAM (FICAP)

# Q1 FICAP CORROSION CERTIFICATION EXAMINATION

Port Houston Asset Management Department is seeking to certify local businesses to provide condition assessment services on Port Houston's marine structures and electrical communications assessments.

Participation in any or all of the FICAP Certification and Training Exam is not to be construed as a contract or a commitment of any kind. Specifically, such participation does not guarantee that the participant will be awarded work with Port Houston. Additionally, Port Houston reserves the right, as needed to best serve its interests, to cancel any FICAP Training or Exam, to waive formalities in any FICAP Training or Exam, and to remedy technical errors in any FICAP Training or Exam.

**For additional information  
about the FICAP  
Certification and access  
to the on-line training  
support materials.**
