

PORT HOUSTON™

Doing business with Port Houston's Maintenance Services department

Wednesday, October 16th, 2024
10:00 a.m.-11:00 a.m. CT

Learn more about Port Houston procurements, application process and what type of services we are looking for; the maintenance team at Port Houston currently supports port facilities and manages use of safety equipment, fleet vehicles, vehicle repairs and uniforms, among others.

Eric Dickinson
Assistant Manager
Maintenance Services
Department
